Marbella, 21 June 2017. The exclusive and unique **Orange Beach Club at the Don Carlos Leisure Resort & Spa** in Marbella has unveiled its new brunch for this summer season. Located in one of the most exclusive areas on the Marbella coast, the Orange Beach Club offers the *Beach Balinese Brunch*, a careful selection of dishes of the most exquisite gastronomic quality in an idyllic setting.

The *Beach Balinese Brunch* at the Orange Beach Club is served on Saturdays between 11:00 and 14:00 in the hammock and Balinese bed area right on the beach. Guests are invited to choose between two options: a brunch tray for two with a bottle of cava and two bottles of water (€50/per person), or a Balinese bed hire with a brunch tray for two and a bottle of Veuve Clicquot Rich (€200). The trays include courses of savouries like salmorejo, shavings of Iberian ham, smoked salmon croissants and guacamole or sea bass ceviche, as well as desserts such as mascarpone with strawberry and mint conserves, among others.

Those who prefer a more formal lunch can choose to eat at the Orange Beach Club Restaurant, and savour the new, exquisite menu that has a definite seafood character and is based on local ingredients with a Mediterranean touch. Its opening hours are between 12:00 and 16:00.

The club has a swimming pool with views of the Mediterranean, a tropical setting and direct access to one of the best beaches on the Marbella coast. Three resident DJs liven up with mood by combining *chill out* music during the morning with more lively music after 16:00.
